

# Transfer College Research Checklist

Use this handy tool to keep track of your top transfer schools and what you learn about them!

Use your [RaiseMe](#) account, college websites, and in person visits to research your top transfer schools.

	College Choice 1:	College Choice 2:	College Choice 3:
<b>What is the size of the college?</b>			
<b>How far is this college away from where you live?</b>			
<b>How much are tuition and fees per year?</b>			
<b>How much will it cost to travel to and from school?</b>			
<b>How much will your housing cost (either on of off-campus)?</b>			
<b>What are the transfer admissions criteria?</b> <i>Is there a minimum GPA? Do they require standardized tests? When are the admissions deadlines?</i>			
<b>Can I fit class times around my work and life responsibilities?</b>			
<b>How was your campus visit? What is campus life like?</b> <i>Ideas: Participate in an open house, campus tour, information session, meet with admissions or transfer counselor, take an informal walk around campus.</i>			
<b>Who did you meet from the college?</b> <i>Talk with staff, faculty &amp; students!</i>			
<b>Quick Reflection: What is your overall feeling about this college?</b>
